

Clearwater Neighborhoods Coalition

Treasurer's Report

November, 2022

In November there were no new memberships. We paid ½ of the Holiday party refreshments bill from UnRefined.

This leaves our Bank account balance as of November 30, 2022 at \$1,236.73. There is one payable check in transit for \$74.90 which will reduce our bank balance.

We have 30 members including 6 new members year to date. Membership is broken down between 13 individuals and 17 groups.
